

**2016 DISTRIBUTION OF LICENCE FEES FROM CORPORATIONS**

April 2016

**This information is for recipients of Copyright Agency licence fees from corporations in 2016.**

Copyright Agency has received limited information about recent usage of content in the corporate sector. Distribution of licence fees from the corporate sector is therefore largely based on data from other sources.

In 2016, there are two separate distributions of licence fees from corporations:

1. April 2016: \$2.1M for text content
2. June 2016: \$0.5M for images (to be distributed together with licence fees for images from other sources such as associations).

We have allocated the licence fees by:

1. Apportioning the licence fees into ‘pools’ for books, journals, newspapers and images;
2. Identifying the best currently available sources of data for each pool; and
3. Selecting data from each source

The sources of data were:

<b>books</b>	<ol style="list-style-type: none"> <li>1. titles that libraries have lent to, or copied for, corporations; and</li> <li>2. titles held in libraries, and titles listed in Copyright Agency’s database, that have similar subject matter to:               <ul style="list-style-type: none"> <li>o titles lent to, or copied for, corporations; or</li> <li>o titles recorded in past surveys of usage in corporations.</li> </ul> </li> </ol>
<b>journals</b>	Titles in Copyright Agency’s database with similar subject matter to: <ul style="list-style-type: none"> <li>• titles that libraries have lent to, or copied for, corporations;</li> <li>• titles recorded in past surveys of usage in corporations; and</li> <li>• titles available to corporations in full text databases.</li> </ul>
<b>newspapers</b>	Digital press clippings supplied to corporations

**SHARING PAYMENTS**

We send recipients a [payment summary](#) and a [payment spreadsheet](#) with each payment. If Column H (publication name) of the [payment spreadsheet](#) says ‘works available under licence’, you are **not** required to share the payment.

On the other hand, if there is information on the spreadsheet that identifies a publication or work and an obligation to share the payment, then you should share that payment in accordance with your contractual obligations. You are not required to share with rightsholders of images, however, given that there will be a separate distribution for images.
