## JUNE 2016 DISTRIBUTION OF LICENCE FEES FOR IMAGES

---

In June 2016, there are two distributions of licence fees for images from multiple sources:

1. Fees from statutory licences for:
  - o Governments
  - o TAFEs
  - o Pre-schools
2. Fees from non-statutory ('voluntary') licences for:
  - o Quasi-government organisations
  - o Corporations
  - o Religious organisations

The distributions have been made separately because there is different tax treatment for statutory and 'voluntary' licence fees.

The distributions are based on 'indicative' data: data indicating content available for use in each of the relevant licensee sectors.

The total amount distributed in June 2016 is approximately \$2.4M.

Allocations have been made to the same recipients who received allocations for text in the 2016 distributions for above six licensee groups, with the exclusion of recipients for publications without images.

A further amount of \$0.8M will be distributed later in the year, for images in which copyright is not owned by publishers.

### SHARING PAYMENTS

We send recipients a [payment summary](#) and a [payment spreadsheet](#) with each payment.

If there is information on the spreadsheet that identifies a publication or work and an obligation to share the payment, then you should share that payment in accordance with your contractual obligations.
