

**ANNUAL LICENCE FEES FROM BUSINESSES:
APRIL 2026 DISTRIBUTION**

Introduction

This distribution is of combined licence fees from annual 'blanket' licences for corporations and associations. The licence fees are from:

- corporations, including pharmaceutical, public relations, banking and finance, law firms, and property
- associations and other entities:
 - quasi-governmental organisations (that are not covered by the government statutory licence)
 - local government organisations
 - religious organisations
 - not-for-profit associations

There is more information about these licence schemes on our website [here](#).

Changes since previous distribution

- This distribution includes licence fees from the extension of the Annual Business Licence to cover staff using news media content in prompts for Generative AI tools used in the workplace. As such, the Newspaper and magazine pool has been adjusted from 49% to 52%.
- This distribution includes \$0.67m resulting from actual expenditure being less than funds provisioned for anticipated expenditure in previous years.
